

Faculty Position Opening

Department of Civil Engineering, National Cheng Kung University, Taiwan

The Department of Civil Engineering at National Cheng Kung University, Taiwan invites applications for tenure-track faculty positions at the assistant, associate, or full professor level. Qualified applicants must have a Ph.D. degree accredited by the Ministry of Education, Republic of China (Taiwan) with independent research potential and offering courses in English or Mandarin for undergraduate and graduate levels. Academic background in one of the following fields is preferred: geotechnical engineering, transportation infrastructure engineering, structural engineering, engineering material, or computational mechanics.

1. List of application materials:

- (1) Detailed curriculum vitae including year of birth, contact address, phone number, email address, education and work background, area of expertise, and publication list.
- (2) A copy of Ph.D. diploma or Ph.D. oral defense pass certification (if already acquired).
- (3) Undergraduate and graduate transcripts (for candidates with Ph.D. degree awarded in less than 10 years only).
- (4) A statement about present appointments, past experiences, plans of future research and teaching interests with syllabus of offering courses.
- (5) Abstract of Ph.D. dissertation, selected copies of representative publications in the past 5 years
- (6) List of 3 referees with contact information.

Please combine all the application materials (in electronic form) into a single PDF file and submit it via the following Google forms link:
