

## Faculty Position Announcement

AI Robotics Program, Miin Wu School of Computing (SOC)  
National Cheng Kung University, Taiwan

The AI Robotics Program at the Miin Wu School of Computing (SOC), National Cheng Kung University (NCKU), invites applications for a full-time faculty position. We seek enthusiastic individuals who are dedicated to advancing robotics and artificial intelligence through cutting-edge research and innovative teaching.

### Position Titles and Qualifications

Ranks: Assistant Professor, Associate Professor, or Professor.

Education: Ph.D. degree (or near completion) in robotics or a closely related field.

Research background: Doctoral research must be related to robotics.

### Research Focus Areas

We are particularly interested in candidates with expertise in at least one of the following areas:

- 1) Digital Twin Technologies
- 2) Large Language Models (LLM), Large Vision Models (LVM), or Knowledge Distillation
- 3) Reinforcement Learning
- 4) Humanoid Robotics (particularly valued)

### About NCKU and the SOC Robotics Environment

NCKU is a leading research institution in Taiwan renowned for its excellence in engineering and computing disciplines. Located in Tainan, a city celebrated for its rich cultural heritage and high quality of life, NCKU provides an ideal setting for academic innovation.

SOC's distinctive model integrates rigorous academic programs with dynamic research centers while fostering industry-academia collaboration through a balanced funding approach that combines institutional resources with governmental support. The school is dedicated to developing well-rounded professionals with expertise in both Robotics and AI Computing, creating a stimulating environment where faculty and students thrive in cross-disciplinary education and cutting-edge research.

### Application Process

For full consideration of your application, please submit your materials by **April 20, 2025, or September 30, 2025**. Complete applications should include:

- 1) Detailed curriculum vitae
- 2) Research statement describing current interests and future plans
- 3) Teaching statement outlining educational philosophy and experience
- 4) Three representative publications
- 5) Names and contact information of 3 or more references

For any questions regarding applications, please email [soc57000@ncku.edu.tw](mailto:soc57000@ncku.edu.tw).

Start Date: August 1, 2025, or February 1, 2026.

### Contact Information

Address: Miin Wu School of Computing, National Cheng Kung University,  
No. 1, University Road, East District, Tainan City 70101, Taiwan
