The collection, process, and use of personal data

The collection, process, and use of personal data in Taiwan is subject to the Personal Data Protection Act (PDPA). The following information is provided pursuant to Article 8 of the PDPA:

- **Data collecting agencies:** OAC and AIT/K
- **The purpose of the collection:** Event participation, ID confirmation, services provision, information notification, etc.
- **The categories of the personal data to be collected:** name, school, phone number, email, address, and other data that may identify the person directly or indirectly.
- **The time period:** the duration is expected to continue until the aforementioned intents and purposes vanished.
- **The territory:** your personal data will be used within the region of Taiwan.
- **The recipients and methods:** your personal data will be processed and used by OAC and AIT/K for the above purposes.
- The entrant preserves the rights enshrined in Article 3 of PDPA, including (a) the right to make an inquiry of and to review his/her personal data; (b) the right to request a copy of his/her personal data; (c) the right to supplement or correct his/her personal data; (d) the right to demand the cessation of the collection, processing or use of his/her personal data; and (e) the right to erase their personal data.
- Please note that you might not be able to participate in or have access to the services and information of this program without providing your personal data.
