## Application Form for Outstanding Research Award (ORA)

(Research Field : Life Sciences)

Update July, 2022

### II. Major achievement and contribution (No more than 5 pages)

- i. **Fundamental Research:** Summarize academic works or research achievements that are mainly contributed by the applicant and describe their significance.
- ii. **Applied Research:** Summarize valid patents, technology transfers, or research achievements mainly contributed by the applicant. Describe their impacts on society or economy.
- iii. **If you think your research belongs to an interdisciplinary study, please explain the interdisciplinary essence of your research breakthrough.**
- iv. **If you were previously awarded the Outstanding research award, please explain the differences in your research achievements between the current and previous application.**

### III. Other supporting materials

Summarize the received awards or honors, plenary or invited speeches given in international conferences, the positions or services performed in international, eminent academic organizations or associations, such as, the supervisor, council member or journal editor.

### IV. Curriculum Vitae and publication list

Please list all works in descending chronological order, mark any corresponding author with an asterisk (\*).

#### Notes:

- i) **All of the submitted application materials are limited to the recent 5 years (from August 2017 to July 2022).**
- ii) For those who took maternity leave, the period of the publication can be extended if they provide proper proof. Each leave can have two-year extension.
- iii) If the applicants received the Outstanding Research Award previously, their application material only beyond the last award-receiving year will be considered.
- iv) The format of application materials should use 12pt Times New Roman, single-spaced type, and A4 size page.
- v) **The total pages of the above sections (II, III and IV) should not exceed 15 pages.**

**V. The most important achievements in Taiwan for the past five years (from Aug 1, 2017 ~ July 31, 2022)**

**Table I. The list of publications**

No.	*Publication Information	Description of contribution of the applicant	Order/Field	Total number of citations	
				Others' citation	**Self-citation
1					
2					
3					
4					
5					

Note:

1. Please choose five most important publications **conducted and completed in Taiwan** within five years. The candidate should be either the first author or corresponding author of the five publications.
  2. Order/Field: For example, the publication ranks 6th in a total of 60 magazines in its category, and should be noted as "6/60" (Please refer to the information using 2021 JCR database or the other databases).
- \* Please fill in the information of publications in descending chronological order. The information needed for every publication are: Author(s) (same order as the published article), Title, Journal Name, Volume, Pages, and Date of Publication.
- \*\* Self-cited number: applicant's name appearing on the authors of the publication

**Table II. The list of technology transfer authorizations and patents**

No.	Contract No.	Contract Title	Authorized Party	Date of contract	The amount of the contract for the past five years (2017/08/01~2022/07/31)
Total					

**Table III. The list of patents**

No.	Patent Title	Patent No	Patent Country	Issue Date

Note: Limit to the invention patent.

**VI. Please attach the following documents in PDF files. (The size of uploaded documents shall not exceed 10MB in total)**

1. Five major publications in full text which are done in Taiwan for the past five years  
(from Aug 1, 2017~ July 31, 2022)
2. The original search information of the number of citations of the above publications (Please compress and simplify the contents of the files in case of >10MB)
3. Please provide patent certificates and technology transfer agreements
