Academic Career Plan/ Contribution to the GILR's Development and Suggestions (attach extra pages if needed)				

Notice and Declaration Regarding the Collection of Personal Information

The Graduate Institute of Labor Research at National Chengchi University collects and processes your personal information for the purpose of faculty recruitment and appointment, in accordance with the Taiwan Personal Data Protection Act.

The categories of personal data to be collected include: an identifiable personal data, identifiers in government records, personal descriptions, academic credentials, work experience, publications, and any other information listed in the curriculum vitae and application documents.

The collection, processing, and use of the aforementioned personal data shall be limited solely to the purpose of recruitment and appointment procedures for the current faculty position. Such data shall be properly protected in accordance with the Personal Data Protection Act. After the completion of the recruitment review process, the Graduate Institute of Labor Research will retain one copy of the application materials for record-keeping purposes. Applicants may request the return of the remaining application materials within the period specified in the Institute's notification. If an applicant fails to request the return of the remaining application materials within the specified period, the Institute will delete the materials and no longer retain them. The retention period for the retained materials shall comply with relevant legal requirements and the necessary duration for administrative purposes.

Applicants shall ensure that all submitted information and statements are true and accurate. If any of the following circumstances are discovered during the recruitment review process, the application will be disqualified, and the applicant shall bear legal responsibility:

1. Impersonation of another person.
2. Forgery or alteration of documents.
3. Lack of eligibility from the outset.
4. Use of fraudulent or improper methods to influence the outcome of any review stage.
5. Submission of foreign academic credentials that are inconsistent with or unrecognized under the "Regulations Governing the Assessment and Recognition of Foreign Academic Records by Institutions of Higher Education" issued by the Ministry of Education.
6. Concealment, alteration, or fabrication of information that affects the fairness of the review.
7. Unauthorized modification or deletion of the prescribed format of the application documents.

I have thoroughly read, understood, and agree to the contents of the above notification and declaration.
