

Department of Agronomy, National Taiwan University

Faculty Positions Starting **February 1, 2027**

The Department of Agronomy at National Taiwan University is seeking applications for **two full-time faculty positions** in **Plant Breeding and Genetics**, starting on **February 1, 2027**, at the rank of **Assistant Professor or higher (open rank)**. Applicants with expertise in **practical breeding experience, crop selection theory, or emerging breeding methods** are preferred.

Qualifications:

Applicants must hold a Ph.D. degree.

Application Materials:

Applicants should submit the following materials in both **electronic format (PDF files saved on a USB flash drive)** and **five hard copies without binding**:

1. **Cover letter** specifying the academic rank.
2. **Curriculum vitae (CV)**.
3. **List of publications**, with one selected as the representative work. This work must be an original research article published in an SCIE-indexed journal after February 1, 2022, with the applicant as the first or corresponding author. If the work is co-authored, a "*Verification of Co-author's Contribution to the Applicant's Representative Publication*" is required (http://www.personnel.ntu.edu.tw/News_Content_n_165_s_5117.html).
For Assistant Professor applicants, the doctoral dissertation may serve as the representative work.
4. **Transcripts** from undergraduate and graduate programs (for applicants applying for the rank of Assistant Professor). Please provide supporting documents from the university or your advisor if no coursework is required.
5. **Photocopy of Ph.D. diploma**.
6. **Proposed courses**, including course titles and outlines/syllabi.
7. **Research proposal** outlining future research plans.
8. **Reprints of publications** published within the past seven years (after February 1, 2020).

Letters of Recommendation:

Two letters of recommendation should be sent directly to Dr. Wen-Dar Huang, Chair of the Department of Agronomy, either by post or email by **June 30, 2026**.

Submission Deadline:

The complete application package (USB flash drive and hard copies), including recommendation letters, must be received by **June 30, 2026** (based on the postmark date).

Please send all materials to:
