Tenure-Track Faculty Position
Institute of Biomedical Sciences, Academia Sinica, Taiwan

Job Description：

The Institute of Biomedical Sciences at Academia Sinica, Taiwan (https://www.ibms.sinica.edu.tw/), a leading biomedical research institute in Asia, invites applications for tenure-track positions at the levels of Assistant, Associate, or Full Research Fellow (equivalent to Assistant, Associate or Full Professor at a university).

We are looking for candidates pursuing curiosity-driven basic and translational research who apply innovative approaches for mechanistic studies or therapeutic/diagnostic development to address physiological and medical challenges. Applicants with expertise in, but not limited to, the fields of Neuroscience, Cardiovascular & Metabolic Diseases, Infectious Disease & Immunology, Cancer and Intelligent Information are encouraged to apply. We particularly welcome applicants with expertise in statistical analysis or machine learning applied to biological datasets.

The institute offers a generous start-up package, an excellent research environment equipped with cutting-edge core facilities and a supportive atmosphere fostering cross-disciplinary collaboration. The successful candidate will be expected to establish and lead a vibrant and independent research program.

Applicant Qualifications：

Candidate Requirements: Applicants must have a Ph.D., M.D., or M.D./Ph.D. degree, relevant postdoctoral experience, and a strong record of research accomplishment.

Work Hours：Based on Academia Sinica regulation

Work Location：Institute of Biomedical Sciences, Academia Sinica

Compensation：Based on Academia Sinica regulation

Reference website：https://www.ibms.sinica.edu.tw/en/index.html

Required documents：

Applicants should submit a PDF file contains the following documents: a cover letter, curriculum vitae, summary of research accomplishments (1-2 pages), and future research

plan (3-4 pages), to recruit@ibms.sinica.edu.tw. At least 3 recommendation letters should be sent directly by referees who can evaluate the candidate's achievements and future potential to recruit@ibms.sinica.edu.tw. For a pre-application inquiry, please provide the names of your referees. Recommendation letters can be submitted later, once your application is under consideration.

Notes on application：

The review process will begin in mid-January, 2027 and continue until the positions are filled.
